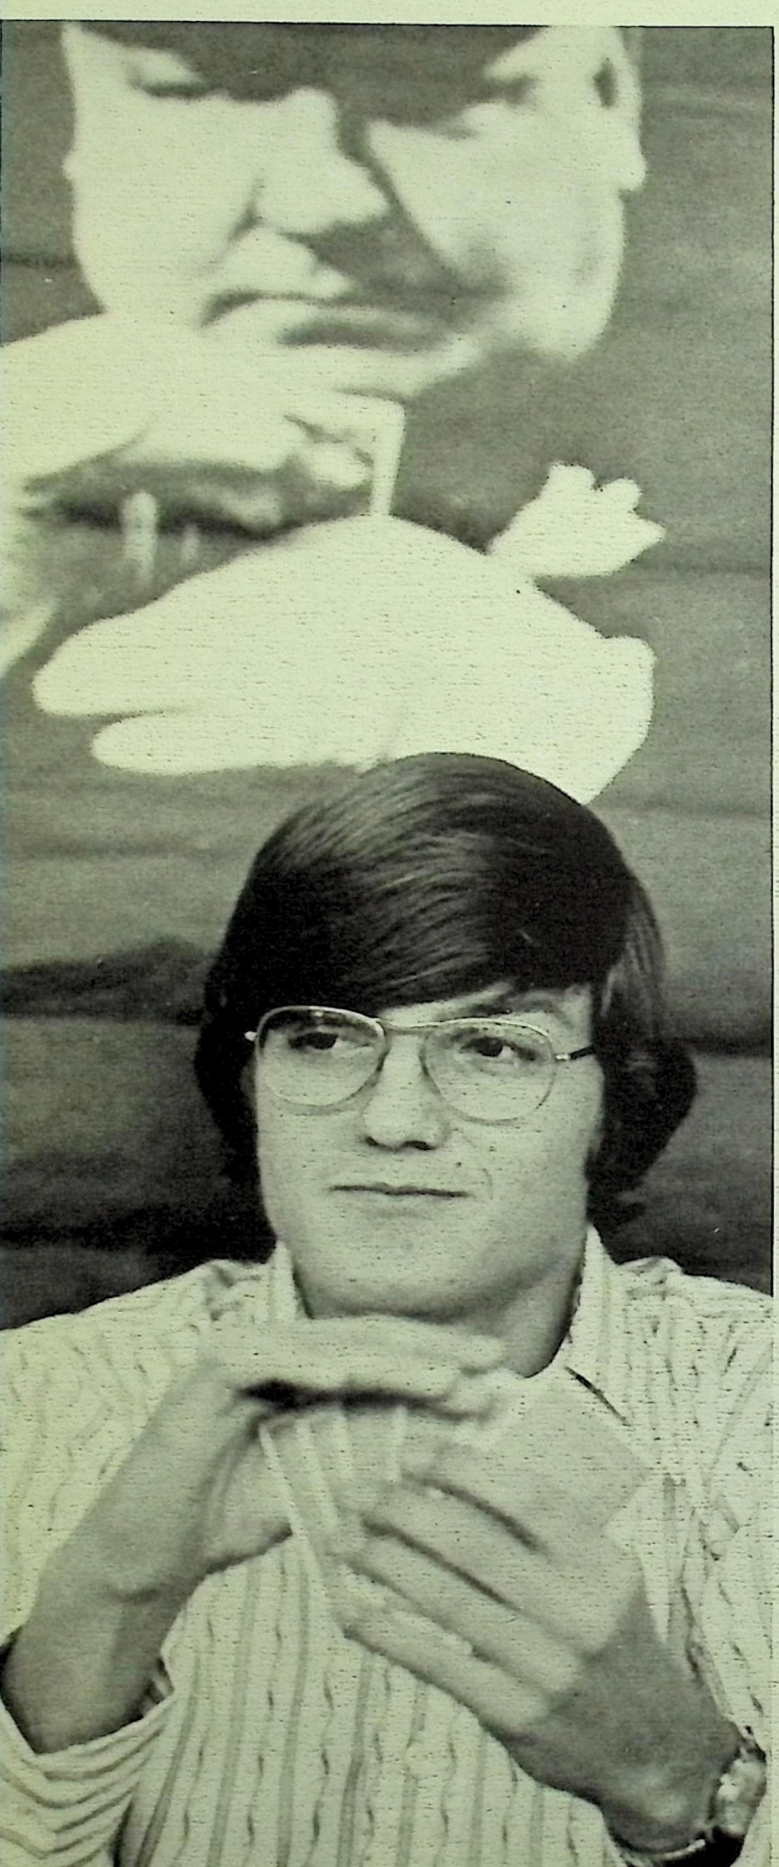
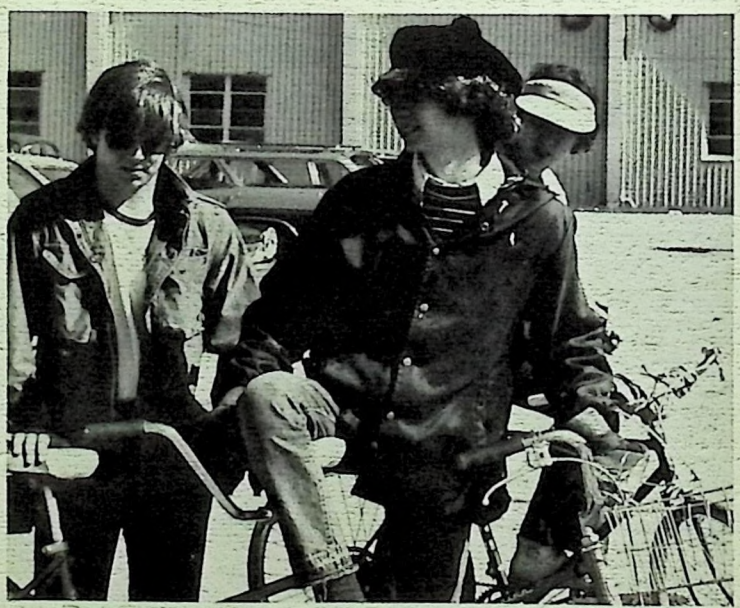
We all shine on . . .

like the sun,

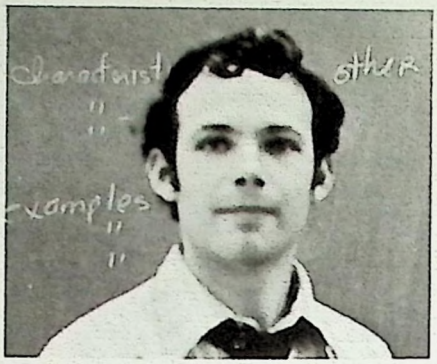




and the moon,

and
the stars.

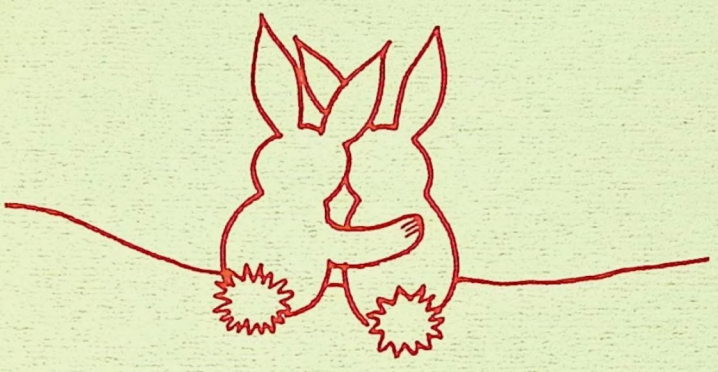
It's getting better all the time.



A year behind us . . . a year ahead of us . . .
A time to relive the past . . . the wild moments . . . the lazy hours . . . the excitement of constant activity . . . the occasional loneliness . . . our memories will be the stepping stones to the future . . .
Looking back . . .
A time to appreciate . . . the things we had and the people responsible for them . . . and to work the things we didn't . . .
A time to learn . . . about ourselves . . . and to try to learn to understand others . . . we can't all be the same . . .
A time to love . . . and to share . . . to give a little of yourself . . .
A time of awareness . . . to throw off the blanket of disillusionment . . . aware of the problems that face us . . . to meet the challenge . . .
A time for change.

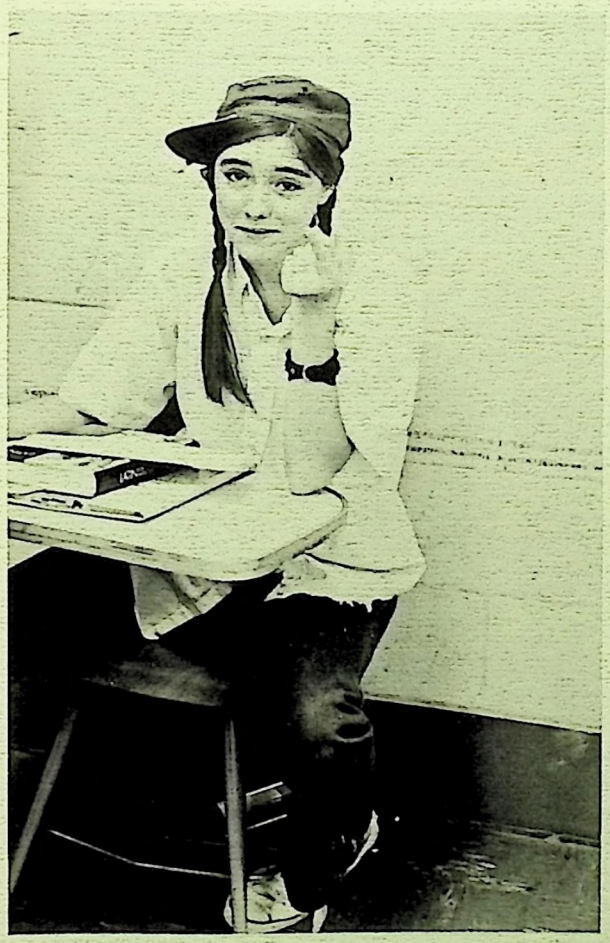
No matter what differences might divide us,

We all smile in the same language.



Say the word and you'll be free.
Say the word and be like me.
Say the word I'm thinking of.
Have you heard?
The word is love.

— Lennon-McCartney



We radiate everything we are . . .

GOOD DAY SUNSHINE!

A new day, a new way
And new eyes to see the dawn.
Go your way,
I'll go mine—
And carry on.

— Stephen Stills

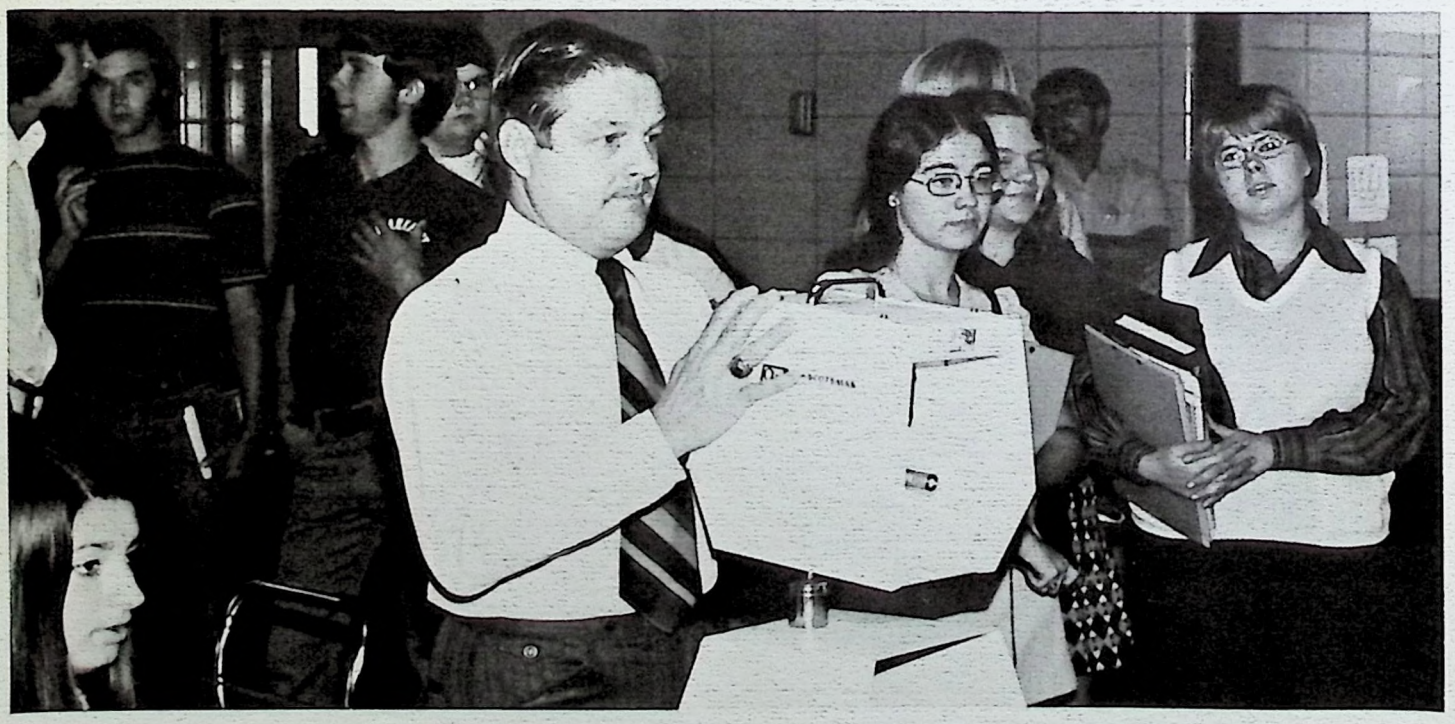
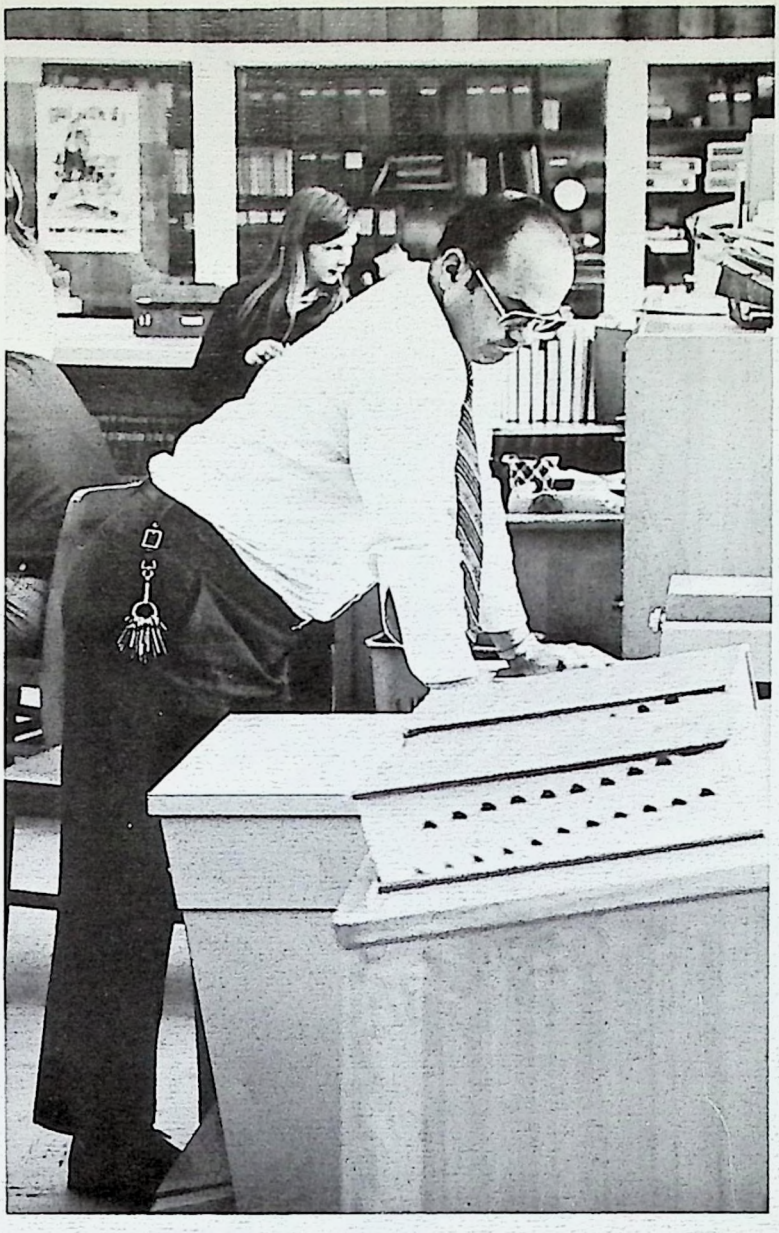
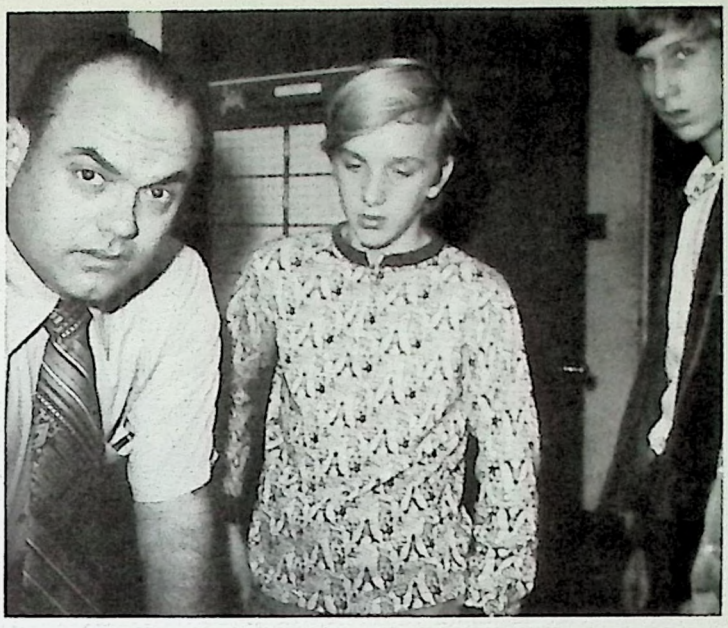
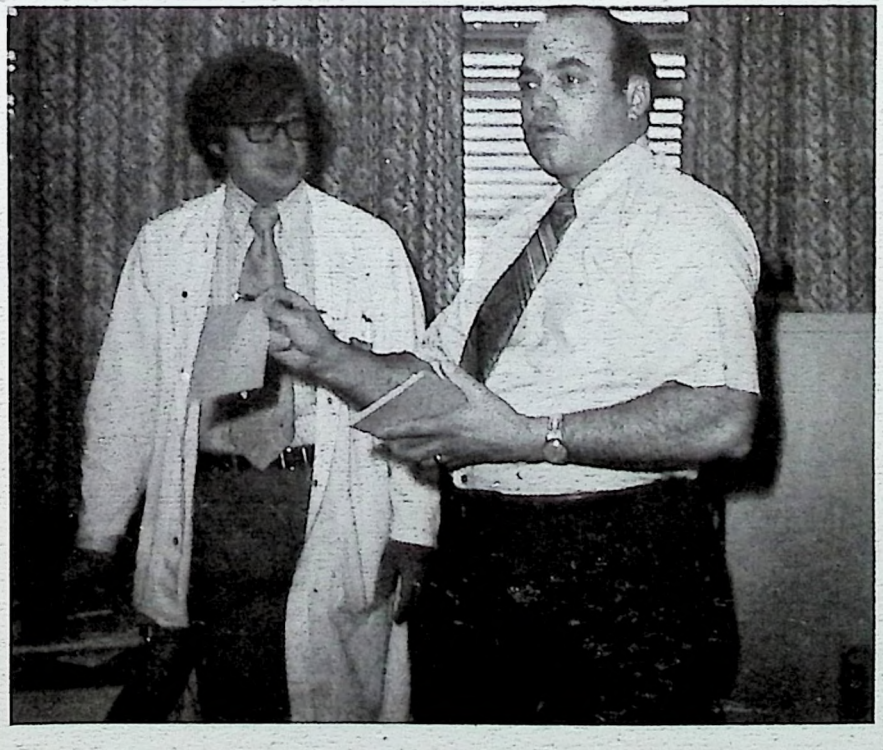
Take Me To Your Leaders

Mr. Robert Hoagland, fondly referred to as "Little Caesar" by the student body, carries out his daily routine as FCHS principal. In his sixth year at the school, Mr. Hoagland takes care of curriculum planning and administrative matters. This year an added headache has been the over crowded situation that has taxed the facilities and patience of all.

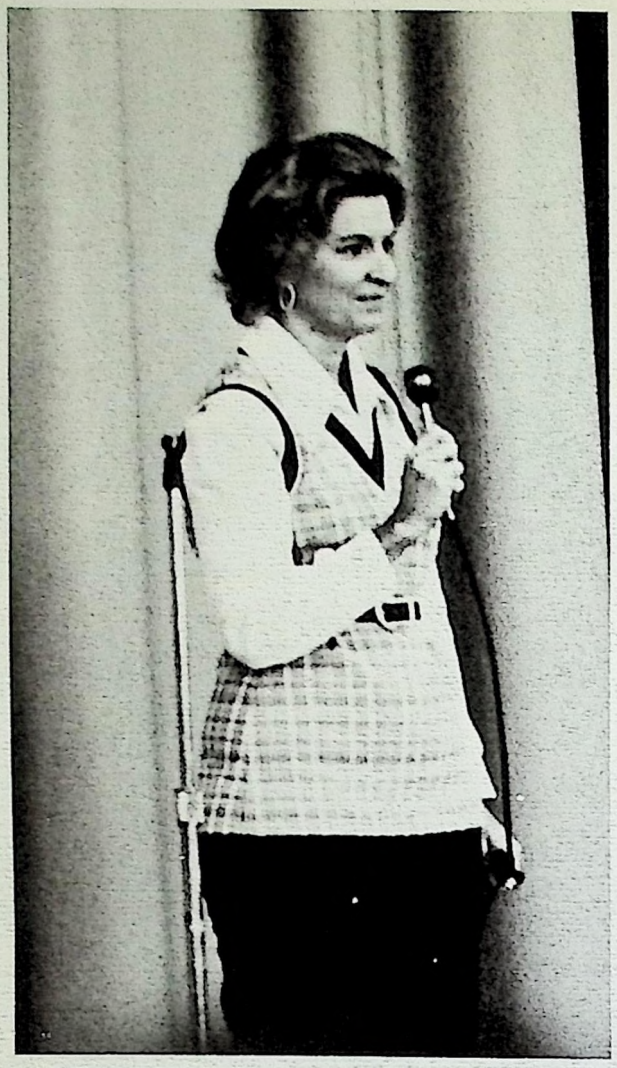








With the creation of a new associate principal's position, Mr. Pullen has been able to devote more time to specific areas. These include helping to plan curriculum changes, custodial supervision, and equipment maintenance.



You've Come A Long Way . . .

Invading the ranks of male superiority, Margaret Hohman holds the first administrative position as a woman at Franklin County High School. Her day to day routine is quite different than it was as a Psychology teacher. One might find her checking notes, blue slips, and registers; dealing with problems between pupils and teachers; observing new teachers; handling any homeroom problems; and aiding in curriculum changes.

The Choice Was Ours

Come Home, America

"Give me your strength and your support, give me your voice—and together we will call America home to the founding ideals that nourished us in the beginning.

"From secrecy and deception in high places, come home, America.

"From a conflict in Indochina which maims our ideals as well as our soldiers, come home, America.

"From military spending so wasteful that it weakens our nation, come home, America.

"From the entrenchment of special privilege and tax favoritism, come home, America.

"From the waste of idle hands to the joy of useful labor, come home, America

"From the prejudice of race and sex, come home, America.

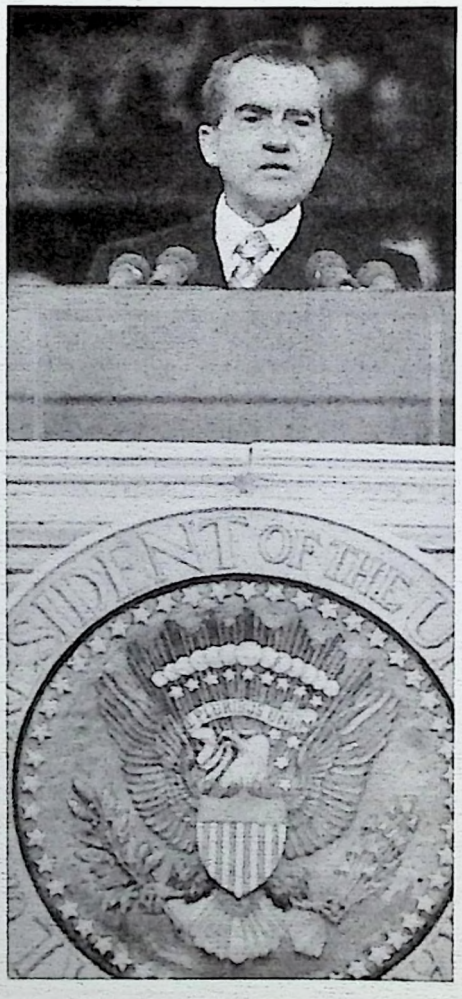
"From the loneliness of the aging poor and the despair of the neglected sick, come home, America."

—George McGovern
Democratic candidate for
PRESIDENT OF
THE UNITED STATES

McGOVERN

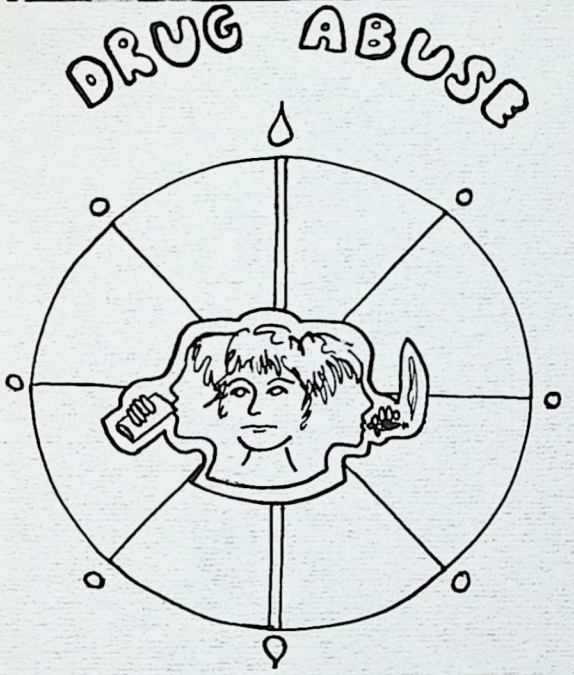
Election year . . . a time to re-examine the issues . . . Vietnam . . . amnesty . . . busing . . . abortion . . . tax reform . . . a time to get involved . . . some of us campaigned . . . eighteen year olds voted . . . some didn't care . . . a time for politics . . . "Now More Than Ever" . . . "Come Home America" . . . the legend of Tom Who? . . . a time for new beginnings . . . four more years . . .

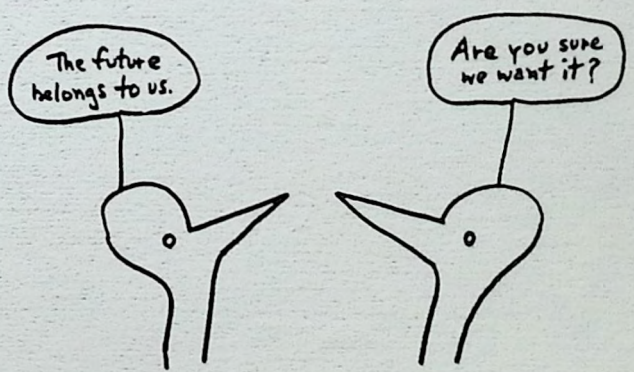
Re-elect the President



A Need For Change

Searching . . . questioning . . . we have grown . . . disillusioned . . . reality is only temporary . . . take a trip . . . the price of one admission is your mind . . . we must learn . . . to face the truth . . . to face ourselves . . . and to love, understand, and forgive . . . we have come a long way . . . and we still have a long way to go . . .

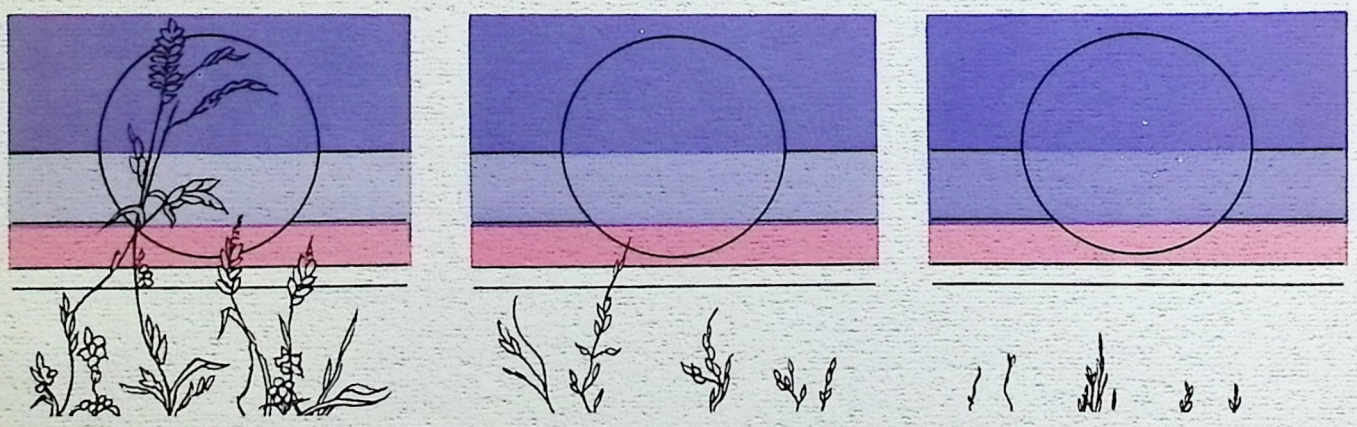




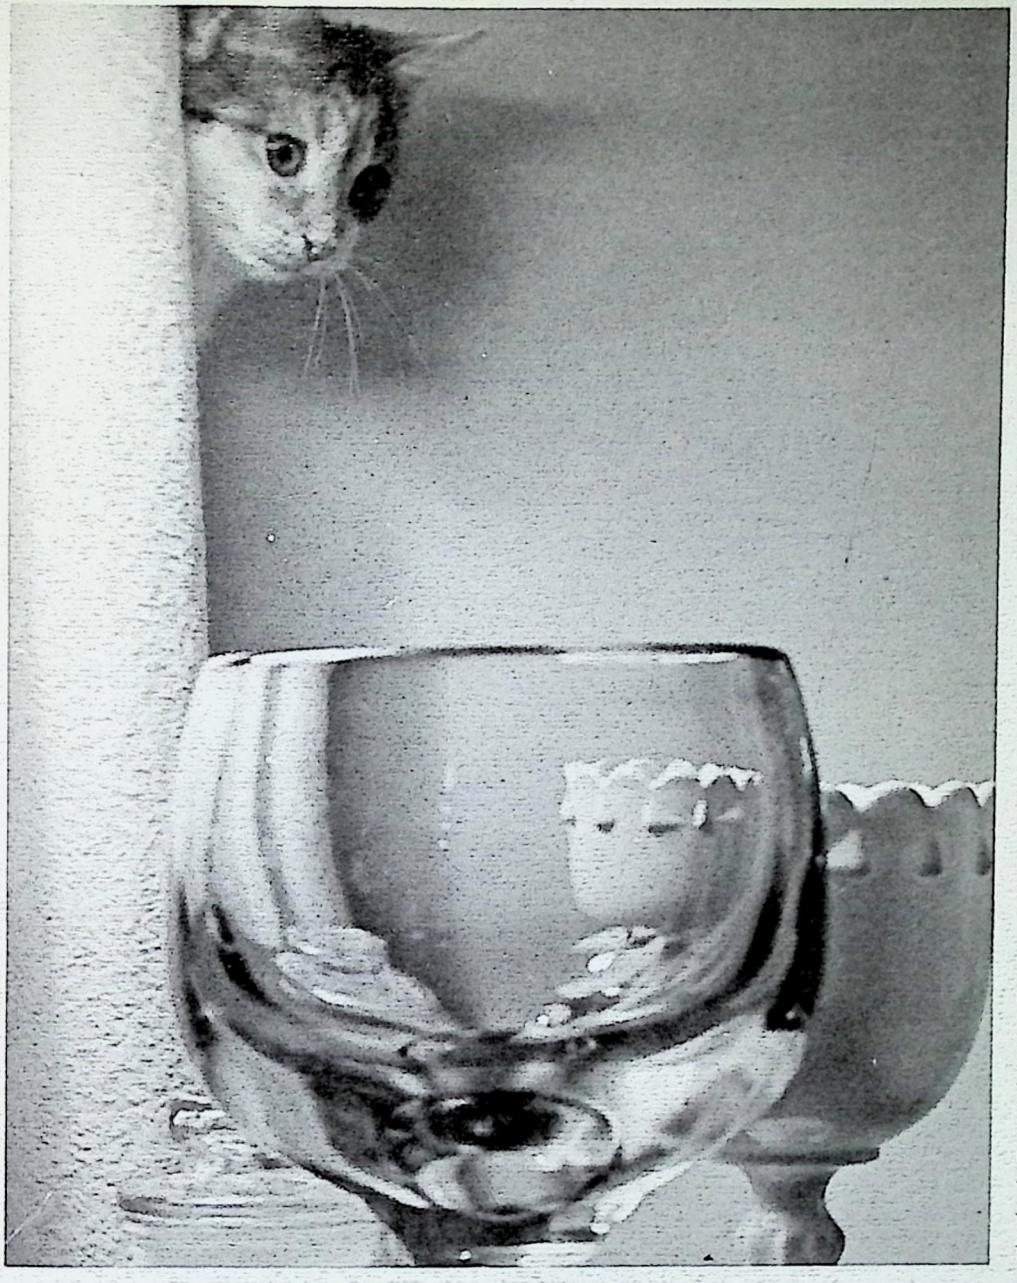
Listen To The Colour

I am alone, you are alone and alone we face each other in order to eliminate every misunderstanding.

Richie Havens



Of Your Dream



Backward in time . . . another year . . . gone . . . the year of the Olympics . . . the new sport of murder was introduced . . . we turned away . . . November 7th gave us four more years of President Nixon . . . massive bombing of North Vietnam begins . . . Merry Christmas . . . we bid Truman and Johnson a sad farewell . . . and at long last, peace . . . we held our breath . . . the POW's came home . . . we were thankful . . . we looked to the future . . . with hope.

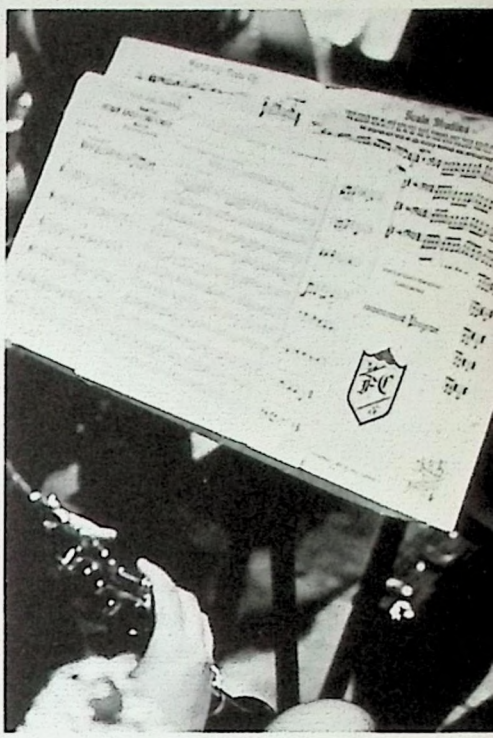
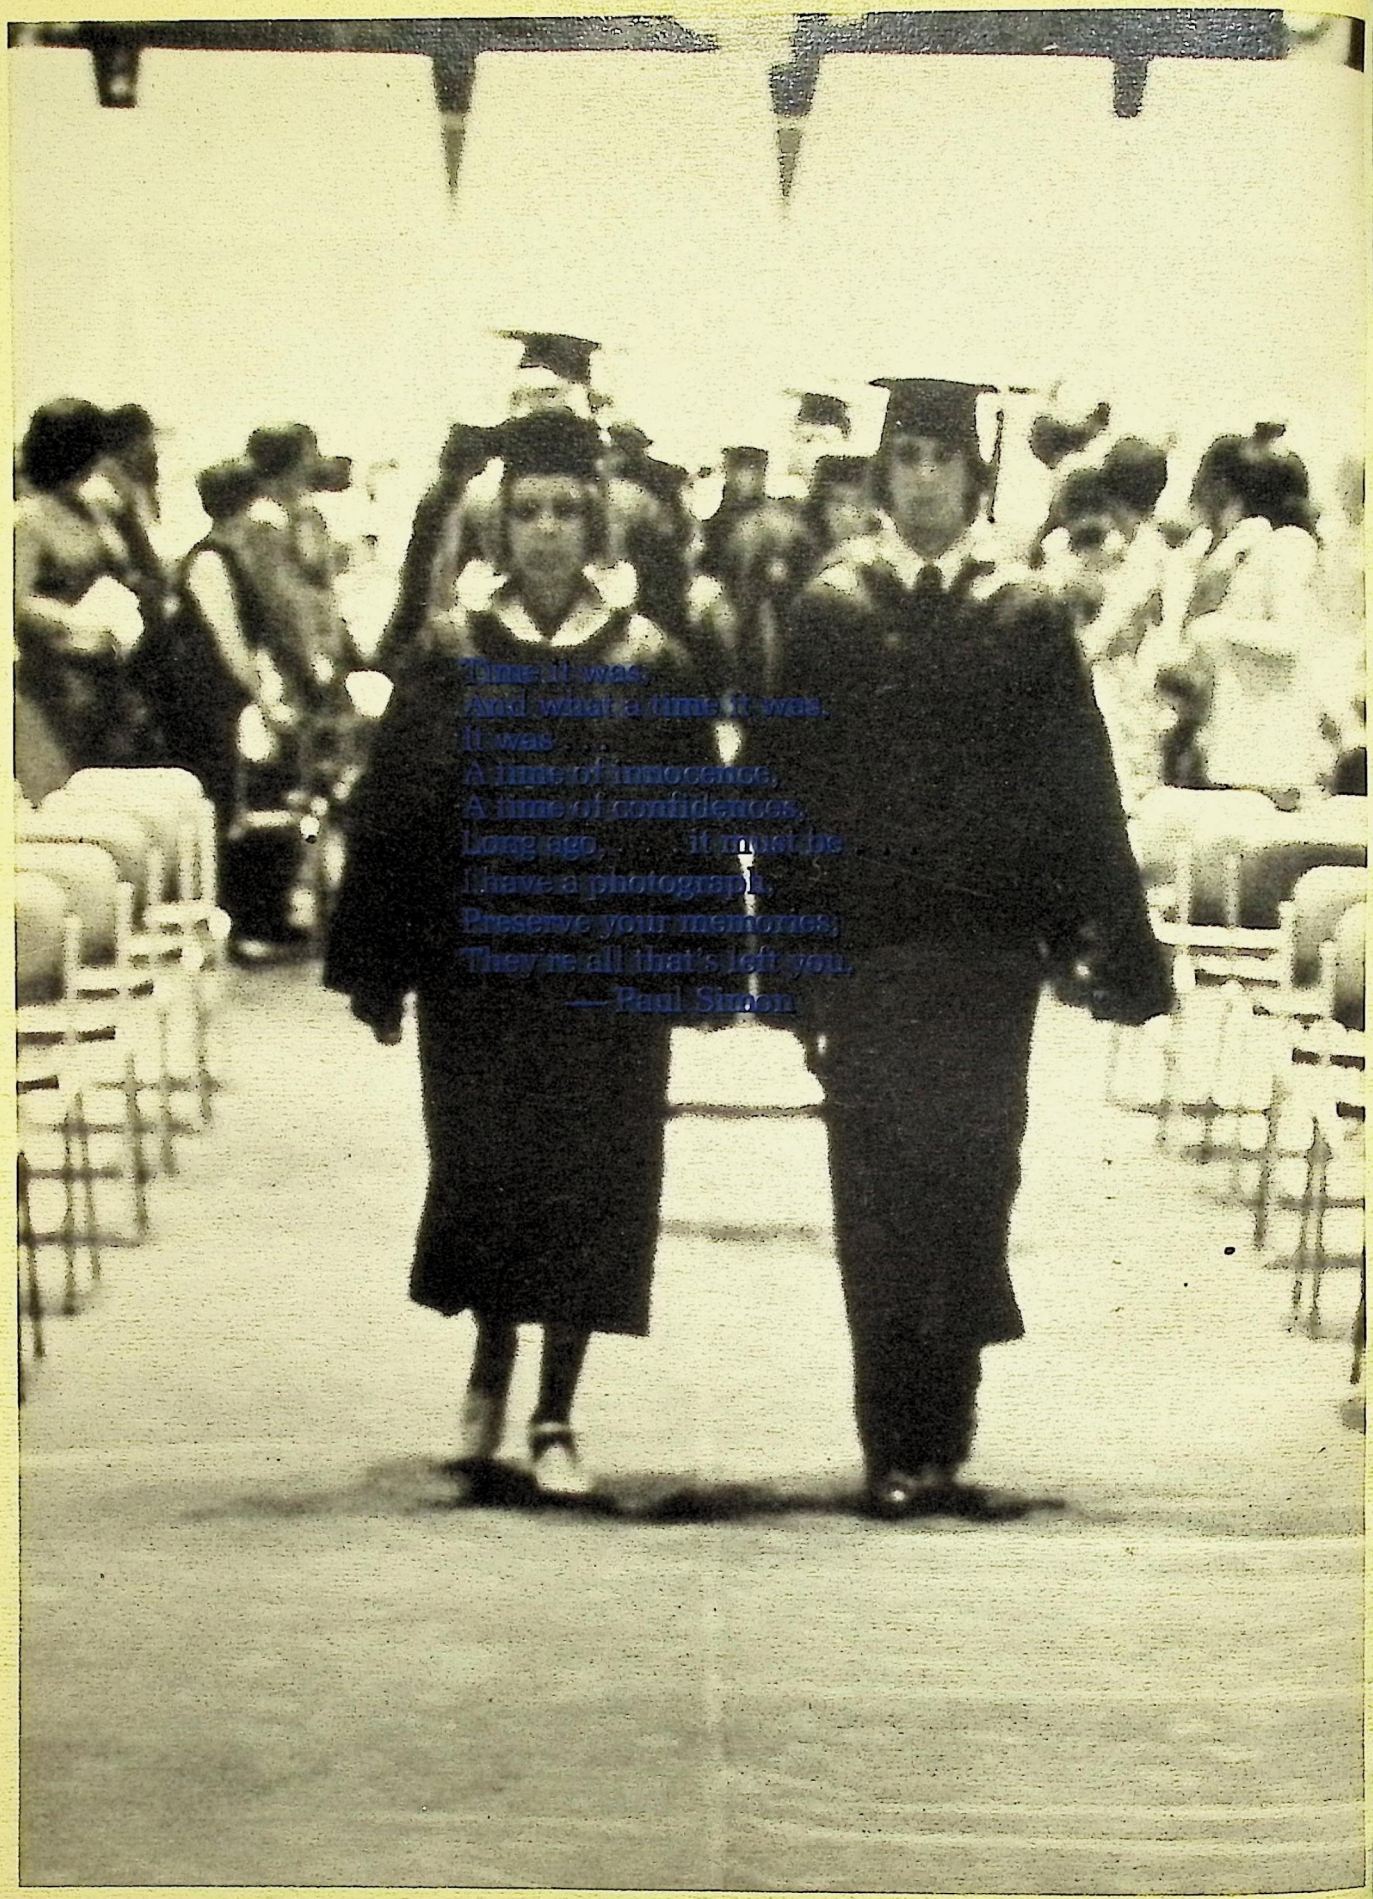
Graduation '73





Time it was,
And what a time it was,

They're all that's left you.
— Paul Simon
